

Union minister plants 'Bakul' sapling at Raj Bhawan compound

ITANAGAR, Jan 21: As tradition, leaving a permanent impression in the Raj Bhawan, Union Minister of State MM Pallam Raju took part in a plantation programme at Raj Bhawan compound here today. The minister planted a sapling, known here as 'Bakul.'

The Governor Gen JJ Singh and the First Lady Anupama Singh were present on the occasion. It may be mentioned here that many important visitors and state guests have planted saplings here in the past, which includes, Presidents, Prime ministers and ambassadors.

The State first couple

Governor with MoS, Defence M. M. Pallam Raju at Orchid house, Raj Bhawan, Itanagar on 21st January.

had hosted a dinner in the honour of the visiting dignitary and his entourage yesterday.

Earlier in the morning, Pallam Raju visited the medicinal plant and orchid houses. He also visited Raj

Bhawan Kitchen garden and appreciate the effort of the Governor and the first lady in promotion of organic produces. The Union Minister of State played some golf shots from the green on the roof of Darbar Hall. PRO to Governor
