MESSAGE

On the festive occasion of Mopin, I extend my sincere greetings and good wishes to all Arunachalees. I pray that this socio-religious and agricultural festival further strengthens fraternal bonds amongst our people and brings peace and prosperity in the State. It is my firm belief that the festival will be a unique opportunity for the people to witness the colourful, vibrant and cultural mosaic of the State and also go a long way in preserving and promoting our age-old traditions and heritage.

On this auspicious occasion, I offer my prayers to Almighty Donyi-Polo and Ane Mopin to bless each one of us with their choicest blessings.

Gen JJ Singh,
