MESSAGE

On the festive occasion of Podi Barbi, I convey my heartiest festival greetings to all Arunachalees in general and my Bokar brethren of West Siang district in particular. I hope the festival ushers happiness, good harvest and prosperity in the society.

Every tribal festival of the State offers a platform to showcase the unique cultural heritage of the indigenous communities. It forms an essential aspect in order to carry forward the tribe's vibrant and rich customs and tradition. The distinct culture and tradition of each tribe of the State is a true reflection of unity in diversity.

On the auspicious occasion, I offer my prayers to All Mighty Donyi Polo for peace and contentment in every family.

General JJ Singh,
PVSM, AVSM, VSM (Retd)
