MESSAGE

On the birth anniversary of Bharat Ratna Dr. Sarvepalli Radhakrishnan, which is observed as Teachers' Day all over the country, I convey my best wishes to the people of Arunachal Pradesh, especially our learned teaching community. I trust that the occasion will infuse new zeal in our efforts to spread knowledge.

Dr. Radhakrishnan, a philosopher and a genius, expressed his desire that instead of celebrating the day as his birthday, it should be observed as 'Teachers day' as a tribute to the teaching community. Therefore, let us all remember our mentors who guided us to the path of righteousness and high morals, shaped our ideas and who made us a useful citizen of our country.

On this special occasion, I call upon all our esteemed teachers to pledge to inculcate knowledge values and discipline amongst the student community and also to be their role models.

General JJ Singh
