MESSAGE

On the auspicious occasion of silver jubilee celebration of the Shapawng Yawng Manau Poi, I extend my best wishes and greetings to all Arunachalees in general and my Singpho brethren in particular. I hope the festival will continue to facilitate the promotion and preservation of the rich cultural heritage and language of Singpho community.

Traditionally, this festival has been the cohesive force in bringing together members of the community from as far as England, Thailand and Myanmar, in addition to those from Assam and different parts of the State.

I am confident that the grand celebration of the festival at Bordumsa in Changlang district will give an opportunity to people from various parts of the country to have a glimpse of the cultural life of the Singpho community.

On the propitious occasion, I pray to Shapawng Yawng to bless each one of us with peace, progress and prosperity. I also appeal to one and all to participate and make the celebration a resounding success.
