MESSAGE

TAMLADU FESTIVAL (14TH FEBRUARY)

It gives me immense pleasure to learn that Mishmi community is observing the 'Tamladu' in a grand manner at Hawaii from 14th February 2009. On the joyous occasion of the festival, which is observed all over Arunachal Pradesh, I extend my sincere greetings to all Arunachalees in general and to my Mishmi brethren in particular. May 'Tamladu' this year usher in happiness and prosperity for all.

Celebrations of festivals not only strengthen the spirit of unity but also reinforce our faith in the Almighty. It also provides us to display our rich cultural heritage and tradition of the Mishmi community to the world. While rejoicing during the festival, I would like to appeal to all to work harder and develop a work culture infused with sincerity, dedication, discipline and punctuality to bring prosperity, happiness and tranquility in the society and in the State.

On this auspicious occasion, I pray to Almighty Lord Jebmalu to bless each one of us with his choicest blessings.

Gen JJ Singh,
