## MESSAGE

On the occasion of Indigenous Faith Day, I extend my heartiest greetings to all the people of Arunachal Pradesh. I hope that the occasion will usher-in communal harmony and instill respect for all faiths and beliefs in every individual in our society.

On this day, once again let us reaffirm our commitment to build better relationships between the people from different backgrounds, holding profoundly different beliefs. Let us give the opportunity to members of every faith to understand each other through honest and genuine engagements.

May the occasion strengthen our absolute faith in the Almighty.

General J J Singh  
PVSM, AVSM, VSM (Retd)
