MESSAGE

On the birth anniversary of Bharat Ratna Dr. Sarvepalli Radhakrishnan, which is being observed as the Teachers' Day, I extend my best wishes to all the members of the teaching community. I trust the occasion will inspire each one of them to rededicate themselves to build a quantum of human resource that has the highest degree of knowledge and intellectual ability.

Dr. Radhakrishnan is the embodiment of righteousness and high moral values. His philosophy and teachings inspire all of us to commit ourselves to cause of the illiterate with service and sacrifice. Even today, he is a role model for our teachers. As a tribute to him and also to show our acknowledgement and recognition of the hard work put in by our teachers towards our development, the Teacher's Day is celebrated all over the country.

May the celebrations of this occasion inspire us to follow the highest moral and ethical values of Dr. Radhakrishnan.
