PRESS RELEASE

Governor extends Eid greetings

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) has offered his warm greetings to the people of the State and Muslim brethren in the State on the festive occasion of Eid-ul-Fitr, which marks the end of the holy month of Ramzan. He expressed his hope that the festival would further strengthen the amity, composite culture and our social bonds.

In his message, the Governor said that Eid-ul-Fitr festival is celebrated to commemorate the virtues enshrined in the fasting during the Holy month of Ramadan. After a month, where everyone is fasting and praying for the forgiveness of Allah for any sin that may have been committed, Eid-ul-Fitr comes as a day of rejoicing. Its importance lies in its collective celebration.

The Governor said that Eid-ul-Fitr festival marks bonhomie where the poor are taken care of and the needy are clothed and fed. The celebration of this festival, therefore, is the hallmark of purity, piety, kindness, truth, friendliness and social service.

The spirit of generosity and charity that is highlighted by this festival must continue to promote the feeling of universal brotherhood. May the noble ideals of Id-ul-Fitr fill our lives with peace, harmony and prosperity, the Governor wished.

PRO to Governor
Arunachal Pradesh
