The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) has conveyed his warm greetings to the people of the State in general and to the Muslim brethren in particular, on the auspicious occasion of Id-ul-Zuha.

The Governor, in his message, said that Id-ul-Zuha, also known as Id-ul-Adha or Bakr-Id reminds all of the absolute faith of Ibrahim Sahab (Abraham) in Allah and his paragon willingness for any sacrifice at the Command of Allah. This festival is celebrated in the spirit of sacrifice and benevolence with great fervour and gaiety in India and the world. The occasion is meant to promote goodwill amongst the people.

The Governor also said the festivity endorses purity of heart, obedience, and generosity towards others. Special prayer meetings and charitable actions like distribution of gifts and food to relatives, neighbours and the poor mark the significance of the Day.

May Id-ul-Zuha this year further promote the rich Islamic tradition of peace and amity amongst all in the society, the Governor wished.
