**PRESS RELEASE**

**Governor reviews progress of Miao-Vijoyanagar Road**

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) reviewed the progress of strategic Miao-Vijoyanagar Road at Raj Bhavan, Itanagar on 7<sup>th</sup> May 2020. Rural Works Department (RWD) Minister Shri Honchun Ngandam, Urban Development Minister Shri Kamlung Mosang, who is also the local MLA of Miao-Vijoyanagar and RWD Chief Engineer Er. Doli Nyodu, while maintaining social distancing attended the meeting,.

The Governor appreciated the engineers of RWD and the people involved in the MV Road construction for the significant progress of the vital project, which he said will go a long way in ensuring territorial integrity and national security. The road, once connected will bring development and prosperity in this remote area of State and at the same time, it will help in protection and preservation of the treasured flora and fauna of Namdapha National Park.

The Governor, who has been following the project and for the revival of the road project, said that with completion of the road project, the tourism potential, such as eco-tourism, wildlife tourism, adventure tourism, environmental tourism and cultural tourism etc. of the area will be harnessed to its full potential. Such activities will not only boost the economy of the State but also bring prosperity to local communities. He urged the people involved in the project to go extra mile for its early completion.

Earlier, RWD Minister Shri Ngandam, UD Minister Shri Kamlung Mosang and RWD Chief Engineer Er. Doli Nyodu apprised the Governor about the progress of the road project. They also shared the details regarding the steps taken for making it an all-weather road.

PRO to Governor  
Arunachal Pradesh
