

## PRESS RELEASE

Governor announces contest for locating tree with highest girth

*Top five trees with largest trunk size to be located and documented*

Itanagar, April,29: With an aim to spread awareness about the environment and for adding to tourist attractions of the State, His Excellency the Governor of Arunachal Pradesh, General J.J. Singh, has given a call for locating and documenting the tree with the largest trunk size/girth in the State.

He has also announced cash award of Rs.15000/- to the person who locates such a tree followed by cash awards of Rs.5000/- each for the next four entries. The award will be personally given by him at a function to be held at the Raj Bhavan.

The PCCF and all the Deputy Commissioners, have been asked to disseminate the information to the general public and have been asked to send the location and trunk measurement of the top five trees to the Raj Bhavan by May 31, next.

Any resident of the State who has information on such trees can submit his entry either to PCCF office or the concerned Deputy Commissioner to be able to win the top prize latest by 31<sup>st</sup> May 2012.
