PRESS RELEASE

GOVERNOR APPEALS ALL TO PARTICIPATE IN THE EARTH HOUR

Governor of Arunachal Pradesh Lt Gen (Retd) Nirbhay Sharma has appealed to the people of the State to participate in the Earth Hour, which is an initiative of World Wide Fund for Nature to stop the degradation of the Earth's natural environment and build a future where people live in harmony with nature.

Governor called upon people of the State to be part of the very important endeavour of World Wide Fund for Nature to make one small but significant change for our planet by switching off the non essential lights in their houses, office premises and commercial establishments for an hour from 8-30 pm to 9-30 pm on 29th March 2014.

Governor urged all to make this small contribution for the planet. He said that this one hour of darkness will be the first step towards their bright future and that of their children.

PRO to Governor
Arunachal Pradesh
ITANAGAR, March 28, 2014
