ITANAGAR**

PRESS RELEASE

People are the most important players in implementation of the socio-economic programmes : Governor

The Governor of Arunachal Pradesh Lt. Gen (Retd) Nirbhay Sharma called upon the people for a concerted effort for expediting the developmental process in the State. The Governor, who is on a two-day visit to West Kameng District in a public meeting at Bomdila urged each and every individual to shoulder responsibilities working as a team.

Calling the denizens of the district as the most important players in implementation of the socio-economic programmes, Governor advised the people to cooperate and with district administration and executing agencies, like Border Road Organisation and work departments.

Expressing his concern on recent incidences of forest fires in different parts of the State, Governor appealed to the Gaon Burahs, elders of the society and youth to create awareness against it. He said that Arunachal Pradesh is blessed with nature's bounty and it should be preserved at all cost,

In his meeting with District Heads of Departments, the Governor advised them to work in coordination with each other. He also emphasised for integrating and pooling together of resources for providing health services to the people especially the rural communities. He suggested for pooling of resources from army establishments stationed in the district for addressing the healthcare issues.

Reminding the Power Developers of the social responsibilities, Governor advised them to contribute in health and education sectors.

. Reiterating his belief that police can positively engage them, the Governor advised the officials of the department to be their mentors and ensure that the youth develop their full potential.

Deputy Commissioner Shri AK Singh gave a power point presentation on the overall developmental activities in various sectors in the district in the meeting.

In the afternoon, the Governor visited National Research Centre for Yak at Dirang, 45 km from Bomdila. He congratulated the scientists for the success in embryo transfer technology and in vitro fertilisation and exhorted them to carry out more works so that local people benefit from it.

Governor advised the scientists and officials of the NRC-Y to ensure that technical knowledge is transferred from lab to the field. Director NRC-Y and Dr. D.Chattacharya, Principal Scientist briefed the Governor on the centre.

Later in the evening, the Governor visited Thembang Fortified Village, 55 km from Bomdila, which has been lined up for a place on UNESCO's World Heritage list.

Earlier in the morning, on his arrival at Bomdila, Governor was received by Deputy Commissioner Shri AK Singh and SP Surendra Kumar at the Bomdila Helipad. GOC 5 Mtn Div Maj General G.S. Dhillon was also present on the occasion.

The Governor is accompanied by Principal Secretary (Home) Shri Dharmendra Sharma.

PRO to Governor
Arunachal Pradesh
