

**GOVERNOR'S SECRETARIAT
ARUNACHAL PRADESH
ITANAGAR**

'A CLARIFICATION'

Raj Bhawan expresses displeasure on the news report putting the Institution of Governor of the State of Arunachal Pradesh in poor light before the people. In spite of the Governor's utmost concern for the progress and development and wellbeing of the State, such misleading report is very upsetting and dispiriting.

It is a well established practice of Raj Bhawan, that whenever organisers of a Rally want to submit a memorandum, usually the officers of the Governor's Secretariat receive the memorandum at the Raj Bhawan Main Gate itself on behalf of the Governor. In this case, in spite of prior engagements, the Governor had agreed to meet the representatives after the already ongoing meeting with the Chairman and other members of Bharat Rural Livelihood Foundation (BRLF) coming all the way from New Delhi with prior appointment together with senior officers of the State Government, but the representatives did not turn up.

It may be mentioned here that Raj Bhawan is well aware of the issues through media reports and the copy of the Judgement given by the Government of Arunachal Pradesh and has already asked the State Government to furnish a detailed report on the issue.

A clarification in this regard may be kindly carried in your esteemed newspaper in tomorrow's issue.
