PRESS RELEASE

Let us celebrate the contribution of the working people: Governor on May Day

The Governor of Arunachal Pradesh Shri JP Rajkhowa has extended his warm greetings to the people of the State, particularly the workers, who are the backbone of the society, on the special occasion of International Labour Day. He expressed hope that the occasion will instil renewed zeal and enthusiasm amongst the members of the work force in playing their vital role towards the rapid development of Arunachal Pradesh.

In his message to the people on the occasion, the Governor said that the International Labour Day, which is popularly known as May Day throughout the World, commemorates the struggle for fair labour practices and the Haymarket Affair of 1886, when US Labour Unions gathered in a general nationwide protest supporting an eight-hour work day. The Day reminds all of us to strengthen this important section of our society. As we celebrate the Labour Day this year, let us celebrate the contribution of the working people. They are the engine of our development and growth and main strength of the economy. The pace of development and modernization depend on the dedication, sincerity, work culture and skill of our work force. I wish that they hone their proficiency on time and at the same time give their best to their jobs, in the service of our State and the Nation.

May the momentous occasion evoke our commitment towards the State and its people, he wished, while conveying his best wishes to the All Arunachal Pradesh Labour Union.

PRO to Governor
Arunachal Pradesh
ITANAGAR, April 30, 2016
