PRESS RELEASE

Governor vehemently condemns the intimidations issued to the cancer patients

The Governor of Arunachal Pradesh Shri JP Rajkhowa has vehemently condemned the intimidations issued by the builder of Arunachal Bhawan, Navi Mumbai, to the cancer patients, who are staying there for medical treatments, which is reported in the media.

Expressing his concern for the patients, the Governor has called for immediate intervention of the State Chief Minister in the interest of the Arunachalis staying there, particularly Cancer patients.

The Governor, who took time out of his busy official engagements and visited the Arunachal Pradesh State Government property, for the cause of the people of the State, during his recent visit to Mumbai, has already asked the Chief Minister to post a Deputy Resident Commissioner to look after the interests of Cancer patients and students in particular and managing the precious property of the State Government.
