**PRESS RELEASE**

**Governor has appeals to the parents and guardians**

The Governor of Arunachal Pradesh Shri JP Rajkhowa has condoled the death of the two young boys by drowning in the last two days as reported in the media.

Conveying his heartfelt condolences to the bereaved families, the Governor advised that the District Authorities, educational institutions and the Department of Disaster management must create awareness about the danger of rising water in the Rivers, lakes and other water bodies due to heavy rainfalls or otherwise in various parts of the State. He suggested for signboards in the accident prone locations.

The Governor has appealed to the parents and guardians to be extra cautious about their wards in weekends and holidays during rainy season.
