**PRESS RELEASE**

**Governor visits Ziro**

The Governor of Arunachal Pradesh Shri V. Shanmuganathan visited the Regional High Altitude Fish Seed Farm, Tarin at Ziro on 31<sup>st</sup> December 2016. The Governor, who is on a three-day tour to Lower Subansiri District, interacted with officials and fish farmers of the area on the occasion.

The Governor exhorted them to go for larger production of fishes, which in turn will ensure economic empowerment of the rural community. He said that because of the fresh water, the quality of fish in high altitude is very good and tastier. As the plateau is well-known for Fish cum Paddy culture, the Governor expressed hope that the farm will give impetus to the financial empowerment of the people.

As a token, the Governor bought some fishes for his entourage as an encouragement to the farmers.

Earlier, the Governor met the officials of the Ranganadi Hydro Electric Project at Yazali 43. Deputy General Manager (Elect) In-charge Head of Project Shri Bijit Goswami briefed the Governor on the project.

The Governor, who reached Ziro via Potin by road, expressed his concern on the condition of the road from Itanagar to Ziro. He emphasised that for development and economic growth the roads have to be of high quality and well maintained.
