PRESS RELEASE

Governor Extends Janmashtami Greeting

On the occasion of Janmashtami, I convey my greetings and good wishes to people of Nagaland.

On this auspicious festival celebrating the birth of Lord Krishna, let us strive to build a world free from malice and full of brotherhood and compassion. Let us concentrate on performing our duties without thinking about the rewards. Good results will definitely follow right actions. Let us imbibe Lord Krishna's message of love and compassion and work together to take our great country forward.

Janmashtami is the celebration of the life and teachings of Lord Krishna and is celebrated across the country with traditional fervor and enthusiasm. It reminds us of the life and teachings of Lord Krishna. The festival inspires us towards a disciplined work-ethic, and imbibes us with the spirit of selfless service to the nation.

May Lord Krishna's noble message of righteous conduct and action inspire each and every one of us to strengthen the moral foundations of our society and strive selflessly to take our country to new heights.

Let "Gita", Lord Krishna's message be our guide for the virtue of life.

PRO to Governor
