**PRESS RELEASE**

**Infrastructural projects in the border areas have be implemented with Jet Speed: Governor**

The Governor of Arunachal Pradesh Shri P.B. Acharya expressed his concern on the progress of infrastructural projects in the border areas of the State.

While expressing his satisfaction on the pace of development, the Governor said that all the projects, particularly roads are progressing within the time frame, but have to be done with Jet Speed.

The Governor pointed that many more projects are in the pipeline under the dynamic leadership of Shri Narendra Modi.

It may be mentioned here that the Central Government has also reviewed the progress of on-going roads and other infrastructural projects in the Arunachal Pradesh in the wake of recent stand-off with China.
