Governor extends New Year Greetings

The Governor of Arunachal Pradesh Brig. (dr.) B.D. Mishra (Retd.) has extended his best wishes to each and every citizen of the State and wish them a very Happy and Prosperous Year 2019 on the festive occasion of this New Year.

In his message, the Governor said that New Year is the time for new beginnings and new resolves in life. The festive occasion of New Year also brings new challenges. Let us start the New year with lofty vision, new vigour and absolute determination for taking Arunachal Pradesh to pinnacle of development and prosperity.

The Governor said that as a State, far removed from the hinterland, the people of Arunachal Pradesh have a long way to go to catch up in various fields, with the rest of the country. However, he expressed his confidence that with hard work, commitment and perseverance, they can ensure that their social, economic and industrial progress continues unabated.

With dedication and sacrifice, we will be able to usher in an era of sustainable development and prosperity for the people of Arunachal Pradesh, he said.

Let us, therefore, on this New Year Day commit ourselves for making an all out effort to secure our future through individual and collective endeavours. As part of 'Team Arunachal', let us share this responsibility and rise above all the hurdles to realize our dreams and possibilities, the Governor appealed.

With utmost honesty, transparency and accountability, we must discharge our role in the progress of the State, wherever we may be placed and whatever position we may be holding, the Governor exhorted the people of the State in his New Year message.
