Education Minister calls on the Governor

**School should be conducive for overall academic, physical and mental growth
of the students: Governor**

The State Education Minister Er. Taba Tedir called on the Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) at Raj Bhavan, Itanagar on 16th September 2019. Chief Secretary Shri Naresh Kumar, IAS, Commissioner to Governor Shri R.P. Upadhyaya, IPS, Secretary Education, Smt Madhu Rani Teotia, IAS and Senior Architect Shri Dawa Tsering were also present in the meeting. They discussed on the permanent layout plan of the Sainik School, Niglok, East Siang District.

The Governor emphasised on creating student user-friendly infrastructure for the Sainik School. The layout of the school should be conducive for the overall academic, physical and mental growth of the students. He stressed that the Sainik School, East Siang should become the best educational institute in India. Care must be taken so that it becomes the school par excellence and a benchmark for other educational institutes to emulate.

Accepting the invitation to participate in the 1st Conference of Heads of School on 25th September 2019, at the request of the State Education Minister, the Governor said that the heads of the schools must move with the needs of time and bring the merit-based changes in our schooling system to the benefit of the students. Their proactive role and far-sighted approach must translate into the positive impact on the growth of the students, the Governor said.
