PRESS RELEASE

Governor participates in a 'Safai Abhiyan' at TRIHMS

In the run-up to the 150th birth anniversary of the Father of the Nation, Mahatma Gandhi, the Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) participated in a 'Safai Abhiyan' at Tomo Riba Institute of Health and Medical Sciences (TRIHMS), Naharlagun on 1st October 2019.

Earlier, the Governor visited different wards and departments of the TRIHMS, including Central laboratory, Blood Bank, Cardiology and Radiology. He made on-the-spot visits of those facilities which are yet to be commissioned due to administrative hitches. He also discussed about the shortages of manpower in the institute.

The Governor, while interacting with the doctors and staff of the hospital said that like any other new institute, TRIHMS also is undergoing the phase of teething troubles such as resources limitation, manpower constraint, training and infrastructure insufficiencies. Notwithstanding that what is important is how we address the problems and move forward with what so ever resources we have, he said.

The Governor exhorted the doctors, nurses and the staff to work with passion and resolve to improve the working milieu of the institute and the care and treatment of the patients. He advised the TRIHMS incumbents to try hard and work with common goal of moving forward.

With sincere and concerted efforts, we can make a good effect and visible change in TRIHMS performance.

Let us make TRIHMS a destination for people of other State, he appealed.

PRO to Governor
Arunachal Pradesh
