PRESS RELEASE

Governor leads cleanliness drive

Cleanliness work in schools is a social responsibility and falls in every local resident's domain: Governor

The Governor of Arunachal Pradesh Brig. (Dr.) B. D. Mishra (Retd.) led the cleanliness drive in the Government Upper Primary School, B-Sector, Itanagar on 28th December 2019. Raj Bhavan officials and staff took part in the drive.

Reminding all that cleanliness work in schools is a social responsibility and falls in every local resident's domain, the Governor said that such positive activities will help in inculcating sense of cleanliness and hygiene amongst the young students. He also emphasized that cleanliness drives should be regularly organised and enthusiastically participated in offices, public places and educational institutes.

The Governor urged upon the people to continue the cleanliness drives initiated by Hon'ble Prime Minister of India Shri Narendra Modi ji on 2nd October 2014. He said that it is a befitting tribute to the father of the Nation in his 150th birth anniversary year.

The Governor expressed his happiness that the people of Arunachal Pradesh have been willingly participating and organizing the cleanliness drives. He underscored that they must also maintain cleanliness of the places they already have cleaned.

PRO to Governor
Arunachal Pradesh
