In ever demanding environment of today it is our responsibility to prepare our workforce for the contemporary and anticipated challenges. Let us commit to fostering an environment where labourers' innovation succeeds and opportunities thrive, he said.

As we appreciate the contributions of our workers, let us rededicate ourselves and resolve to work unitedly and build a prosperous and progressive Arunachal Pradesh tomorrow, and more importantly, in the process, ensure the best welfare measures and amenities for our Labour Force today, the Governor said in his message.

Presently the whole world is passing through a very difficult phase of health hazard due to the Corona Virus pandemic.
