Governor extends Children's Day greeting

For our children's better tomorrow let us give our best today: Governor

The Governor of Arunachal Pradesh Brig. (Dr.) B. D. Mishra (Retd.) has extended his warm greetings to all, particularly the children of the State on the occasion of Children's Day, which commemorates the birth anniversary of the first Prime Minister of India, Pandit Jawaharlal Nehru.

The Governor in his message said that nurturing an approach of 'Serve the children before self' is one of the greatest gifts we can give them. While renewing our obligation, commitment and responsibilities towards the welfare of our children, we must build a harmonious society, thereby ensuring the proper up-bringing of all children. We must ensure that every child studies well, imbibes good values and becomes disciplined, confident, and knowledgeable human being. We must promote amongst our children compassion for the weaker sections of the society and motivate them to contribute towards the nation building, he said.

On the special occasion, the Governor has appealed to every parent, guardian and citizen to provide all possible opportunities to the children to excel in every field of their chosen activities.

For our children's better tomorrow let us give our best today, the Governor said in his message.
