Press Communiqué

Governor conveys Gumkum Gumpa greetings

The Governor of Arunachal Pradesh Brig. (Dr.) B. D. Mishra (Retd.) has conveyed his warm greetings to the people of the State, especially the Puroik community on the festive occasion of Gumkum-Gumpa.

In his message the Governor said that every community in our State maintains its identity by celebrating its traditions and festivals. Each celebration has a noble narrative associated with it, be it arrival of a season, victory of good over evil, sublime episodes connected with various Gods and Goddesses and many more. These are the manifestations of heritage and culture. Puroik community's Gumkum-Gumpa festival connects with the reunion and collective resettlement of the community in consonance with the march of time. I am sanguine that the Puroik community, led by its elders and enthusiastically supported by its youth, will continue to progress with the march of time, he said.

May this festival of our Puroik brethren further strengthen the spirit of harmony, prosperity, and brotherhood in our society, the Governor wished in his message.

PRO to Governor
Arunachal Pradesh
ITANAGAR, April 24, 2022
