Governor, First Lady of the State link their Aadhaar with EPIC

Governor appeals to the people to link their Aadhaar Card with their EPIC.

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) and the First Lady of the State Smt Neelam Misra voluntarily linked their Aadhaar Cards with their Voter's Identity card i.e. Electors Photo Identity Card (EPIC) in presence of District Electoral Officer (DEO) cum Deputy Commissioner, Papum Pare District Shri Sachin Rana and Electoral Registration Officer (ERO) Smt Omey Apang at Raj Bhavan, Itanagar on 6th September 2022. The Governor and the First Lady of the State handed over the requisiting information details to DEO and ERO respectively for the purpose.

The Governor said that bogus voting and registration of a voter in more than one place have been a big challenge all these years to democracy. By linking Aadhaar with Election Card, there will be genuineness in voting and voters' lists will become accurate, he said.

The Governor appealed to the people of the State to link their Aadhaar Card with their EPIC. He said that the voluntary linking will help in removing all duplications in the voters' lists and pave the way for correct planning of developmental activities and create a clean and transparent photo-based electoral roll.
