Governor

The Governor of Arunachal Pradesh Brig. (Dr.) B. D. Mishra (Retd.) has extended his warm greetings to the fellow citizens of the State on the special occasion of the Constitution Day. He expressed his hope that the occasion, which commemorates the day The Constitution of India was enacted, adopted and given to the people of India in 1949, further strengthens our resolve to preserve, protect and defend our Constitution.

In his message to the people on the occasion, the Governor said that the Constitution of India, one of the most exhaustively written Constitutions in the world, came into force on January 26, 1950. It secures Justice, Liberty and Equality for the people and promotes Fraternity amongst the countrymen. The unique laudable feature of our Constitution is our secular democracy. On this day, let us acknowledge with gratitude, the contributions of our great Freedom Fighters, particularly Dr. Rajendra Prasad, the President of the Constituent Assembly, who later became the First President of India and Dr. Bhim Rao Ambedkar, the head of the Drafting Committee, who later became the First Minister for Law and Justice of India.

We should, with pride, always remember that all our illustrious forebears who wrote the Constitution had the distinction of being great Freedom Fighters. They wrote the Constitution in the backdrop of the sacrifices made to get freedom for our country from the British Rule, the Governor said.

On the momentous day, The Governor appealed to all citizens of Arunachal Pradesh to perform their Fundamental Duties as enshrined in the Indian Constitution.

May the true spirit of our Constitution always guide us towards peace, progress and prosperity of our society, State and Nation, the Governor said in his message.
