Governor extends New Year Greetings

The Governor of Arunachal Pradesh Brig. (Dr.) B. D. Mishra (Retd.) has extended his warm greetings to the people of the State on the joyous occasion of New Year. He expressed his hope that the New Year 2023 will usher-in joy, happiness, good health and prosperity to all our citizens in the State.

In his message, the Governor said that the New Year presents a great opportunity for all of us to make new resolve and live up to it. It is the right time to reflect on the core values and traditions and move forward with the spirit of 'Nation First'. The challenges and memories of the achievements of the preceding years provide the ground foundation for the attainment of higher goals in the New Year. Let us begin this New Year with determination to stand by our ideals, probity, accountability, responsibility and put ourselves to audit and mid course correction as and when needed, he appealed.

The Governor said that in the New Year, the people of the State must seize every moment for consciously living of life with purpose, renewed vigour, replacing doubts with hope and negativity with positivity. As an integral part of 'Team Arunachal', we have to push away all hurdles and promote our State to realize our dreams and possibilities, he said.

I wish all my fellow citizens of Arunachal Pradesh a very happy and prosperous New Year 2023, the Governor wished in his message.
