Governor extends World Blood Donor Day greetings

The Governor of Arunachal Pradesh Lt. General K.T.Parnaik, PVSM, UYSM, YSM (Retd.) has extended his warm greetings to the people of the State on the occasion of World Blood Donor Day. He expressed his hope that the occasion will raise awareness of the need for regular blood donation to ensure the availability of quality blood for people in need of it.

The Governor, who is the President of the Indian Red Cross Society, Arunachal Pradesh State Branch said that the requirement for blood transfusions, whether due to accidental blood loss or for therapeutic reasons, is a common and urgent necessity. Given the current state of medical science, blood cannot be artificially produced or stored indefinitely. Thus, blood donation has become a continuous obligation to support life-saving efforts, he said.

The Governor complimented all the Blood Donors of Arunachal Pradesh on the special occasion for their precious gift of blood to the blood needy people. He also appealed to every abled-bodied person, within the permissible age health limits, to donate blood.

PRO to Governor
Arunachal Pradesh
