Press Communiqué

Governor extends New Year greetings

The Governor of Arunachal Pradesh Lt. General K.T. Parnaik, PVSM, UYSM, YSM (Retd.) has extended his warm greetings and best wishes to the people of the State for a Happy and Prosperous New Year 2025. He wished that the New Year would herald extraordinary progress, abundance of peace, amity, tranquillity, and prosperity and enhance all-round development in the State.

In his message, the Governor said that the development of Arunachal Pradesh rests on four key pillars, i.e. education, health, infrastructure, and tourism. Over the past year, we have achieved significant progress in these areas. Improved connectivity through better roads, bridges, and digital infrastructure drives economic growth. He said that our State's natural beauty and vibrant culture position us as a future world-class tourist destination, creating jobs and fostering entrepreneurship.

The Governor said that the State Government, guided by the mission to eradicate Tuberculosis by 2025, is enhancing healthcare accessibility for a healthier future.

The Governor said that as we celebrate the 100th birth anniversary of Atal Bihari Vajpayee, we reaffirm our commitment to good governance, transparency, and efficient service delivery to every citizen. Initiatives like Seva Aapke Dwar and the Vibrant Village Programme have ensured that government benefits reach even the most remote communities, reflecting our focus on inclusive development, he said.

As we strive for a Viksit Arunachal, I urge every citizen to support the State Government in building a prosperous, self-reliant, and harmonious State. Let us work together towards the vision of Viksit Bharat 2047, ensuring sustainable growth for all, he said in his message, while wishing everyone a healthy, successful, and fulfilling New Year 2025.

PRO to Governor
Arunachal Pradesh
