**Governor joins Special Film Screening for Children from Oju Mission and Raj Bhavan Families**

In a heart-warming initiative aimed at fostering inclusivity and spreading joy, the Governor of Arunachal Pradesh, Lt. General KT Parnaik, PVSM, UYSM, YSM (Retd.), joined over one hundred children from the Oju Welfare Association Mission and Raj Bhavan families for a special screening of the film 'Sitaare Zameen Par' in Itanagar on 14<sup>th</sup> July 2025.

The thoughtful event, organized by the Raj Bhavan, was a maiden effort to create a shared cultural experience for children from diverse and often challenging backgrounds, including orphans and children who have endured difficult circumstances. The initiative was part of Raj Bhavan's continued outreach to connect with and uplift the lives of children in need, reinforcing a message of hope, equality, and care.

The Governor personally interacted with the children before and after the screening, making the occasion even more special. The warmth and presence were deeply appreciated by the young audience, many of whom expressed their joy and gratitude.

The Governor shared that every child deserves happiness, opportunities, and encouragement. He said that the event is not just about watching a film, it's about reminding each child that they are valued, seen, and supported.

The film, with its inspiring theme and emotional storytelling, resonated strongly with the children. The auditorium was filled with laughter, applause, and moments of quiet reflection as the children immersed themselves in the experience.

The children thanked the Governor for their kindness and care.
