Governor interacts with Indian Army officers

Governor urges the Indian Army officers to undertake a deeper study of Operation Sindoor, examining it from multiple dimensions, including operational, strategic, and humanitarian

Governor appreciates the initiatives taken by certain units of Indian Army in reaching out to students in remote border villages

Governor encourages the Indian Army officers to sustain and expand their people-centric efforts under Operation Sadbhavana

The Governor of Arunachal Pradesh, Lt. General KT Parnaik, PVSM, UYSM, YSM (Retd.) interacted with the Indian Army Officers at Dinjan Military Station, Dinjan on 25th July 2025. He spoke extensively on the current global geopolitical ecosystem, the strategic implications of Operation Sindoor, and the pivotal role played by the Indian Army in safeguarding Arunachal Pradesh's borders while also supporting its development.

Drawing upon his rich experience in the armed forces, the Governor shared insights on perception management, the evolving role of cutting-edge technologies in modern warfare, and the importance of operational preparedness. He underscored the need for continued vigilance and the imperative of staying one step ahead of potential threats across the border. He also encouraged the officers to constantly update and strengthen their defence capabilities while remaining fully aware of adversarial tactics and intent.

The Governor urged the officers to undertake a deeper study of Operation Sindoor, examining it from multiple dimensions, including operational, strategic, and humanitarian. He emphasized that such understanding would not only enhance their professional competence but also provide valuable lessons for the future.

Commending the Indian Army's efforts beyond the call of duty in Arunachal Pradesh, the Governor particularly appreciated the initiatives taken by some units in reaching out to students in remote border villages. He acknowledged their vital contributions in promoting education and healthcare in far-flung areas, often in extremely difficult conditions.

The Governor encouraged the officers to sustain and expand these people-centric efforts under Operation Sadbhavana, thereby continuing to strengthen the deep bond of trust and respect between the Army and the people of Arunachal Pradesh.

Earlier, the General Officer Commanding (GOC) of the 2 Mountain Division, Major General V.S. Deshpande, welcomed the Governor and briefed him on the Division's operational responsibilities and the Army's wide-ranging goodwill initiatives in Arunachal Pradesh under the Sadbhavana projects. These initiatives, he noted, are aimed at building lasting partnerships with local communities while ensuring security and development in the border areas.

PRO to Governor
Arunachal Pradesh
