Governor participates in the Nagaland and Assam Diwas celebration

Governor thanks the people of Assam and Nagaland for their meaningful contribution to the progress of Arunachal Pradesh and to the collective vision of Viksit Bharat

Celebration of State Foundation Day magnificently embodies the Prime Minister's vision of 'Ek Bharat Shreshtha Bharat': Governor

'Ek Bharat Shreshtha Bharat' initiative of Prime Minister Shri Narendra Modi has truly empowered young people with a stronger sense of unity and shared identity: Governor

The Governor of Arunachal Pradesh, Lt. General KT Parnaik, PVSM, UYSM, YSM (Retd.), accompanied by the First Lady of the State, Smt Anagha Parnaik, participated in the joint celebration of Nagaland and Assam State Foundation Day along with the Naga and Assamese communities of the State at Lok Bhavan, Itanagar, on 11th December 2025. The occasion was a distinguished reflection of India's unity in diversity, aligning with the Governor's vision of fostering intercultural understanding among people, particularly the youth, as a vital foundation for an inclusive, peaceful, and harmonious society.

The Governor warmly reflected on the rich and intertwined histories of Assam and Nagaland, praising the people of both States for their unwavering commitment to preserving their natural environment, cultural heritage, and treasured traditions of textiles and handlooms. Drawing parallels with Arunachal Pradesh, he said that the Assamese language once served as an important connecting dialect in the State's early years, symbolizing the deep bonds shared among the northeastern neighbours.

Expressing gratitude, the Governor thanked the people of Assam and Nagaland for their meaningful contribution to the progress of Arunachal Pradesh and to the collective vision of Viksit Bharat. He said that the goodwill and mutual trust among the States have strengthened their interdependence and deepened the warmth and camaraderie that have long defined relations with these age-old neighbours.

The Governor further highlighted that the celebration of State Foundation Day magnificently embodies the Prime Minister's vision of 'Ek Bharat Shreshtha Bharat'. Such exchanges, he said, have greatly benefited the youth by helping them understand the lives, traditions, and cultures of people from other States, an experience that will shape and inspire them as they lead the State and the Nation in 2047. He emphasized that this initiative of Prime Minister Shri Narendra Modi has truly empowered young people with a stronger sense of unity and shared identity.

As part of the celebration, Naga students of NERIST presented 'Ahoh', a soulful gospel folk-fusion song from Nagaland originally created by Ms. Jano Nyekha in 2015. Paying homage to the iconic Late Zubeen Garg, children of the Assamese community performed a dance set to his popular songs. The women of the community offered the traditional Vaishnav devotional song Diha Nam, while Bodo women captivated the audience with the graceful Bagarumba dance.

The Governor and the First Lady later hosted a High Tea for all the participants, cordially interacting with members of the Assamese and Naga communities. They appreciated their dedication to preserving and promoting their cultural heritage in Arunachal Pradesh.
