The Governor of Arunachal Pradesh, Lt. General K.T. Parnaik, PVSM, UYSM, YSM (Retd.), has extended his warm greetings to the people of the State on the special occasion of Good Governance Day, observed to commemorate the birth anniversary of former Prime Minister and Bharat Ratna Late Atal Bihari Vajpayee. He expressed his hope that the day would serve as a meaningful reminder of the importance of public accountability and inspire a collective commitment to honesty, integrity, transparency, and responsibility in all positions of authority, so that governance remains truly people-centric.

In his message, the Governor said that Good governance is the cornerstone of inclusive growth and sustainable development, aimed at improving the quality of life of every citizen. It calls for transparent, responsive, and efficient government systems, while actively involving citizens in the development process. Encouraging public participation through mechanisms such as social audits and community engagement not only enhances trust but also strengthens democratic governance, he said.

The Governor further said that Late Atal Bihari Vajpayee was an exemplary statesman, a visionary leader, an eloquent orator, and a distinguished writer. He said that Late Vajpayee firmly believed that true empowerment of the people lies in rapid economic growth coupled with social progress.

As a tribute to this great son of Bharat Mata, I appeal to the people of Arunachal Pradesh to embrace and uphold the principles of good governance in letter and spirit, and to work together in the service of the nation and the greater public good, the Governor said in his message.
