Governor extends New Year greetings

The Governor of Arunachal Pradesh, Lt. General K.T. Parnaik, PVSM, UYSM, YSM (Retd.), has extended warm greetings and heartfelt best wishes to every citizen of the State for a happy, healthy, and prosperous New Year 2026 on the joyous occasion of New Year's Day. He wished that the year ahead would usher in renewed hope, lasting peace, harmony, and tranquillity, and open new avenues for all-round development and prosperity across our State.

In his message, the Governor said that the year 2025 has been a truly progressive and eventful chapter in Arunachal Pradesh's growth story, marked by significant achievements and forward momentum. On the national front, guided by the spirit of Aatma Nirbhar Bharat, Hon'ble Prime Minister Shri Narendra Modi ji has transformed challenges into opportunities, steering the nation towards self-reliance, strength, and success. His visionary and pragmatic initiatives, particularly in the areas of foreign policy, transport & communication, defence, education, and agriculture, are laying a strong foundation for sustained socio-economic progress. Closer home, the successful conduct of Panchayati Raj elections and the enthusiastic participation of our people reflect a deepening democratic consciousness and a shared commitment to grassroots governance, he said.

As we step into the New Year, let us renew our resolve to move forward with the spirit of Ek Bharat Shreshtha Bharat, strengthen Arunachal Pradesh's journey towards greater self-reliance, and continue contributing meaningfully to the national vision of Viksit Bharat@2047, the Governor said, while reposing his confidence that with the active cooperation, unity, and dedication of every citizen, the people of the State will achieve inclusive growth, lasting development, and a brighter future for all.

Once again, I convey my sincere wishes to the beloved people of Arunachal Pradesh for a very Happy and Prosperous New Year 2026, filled with new opportunities, progress, and collective success, the Governor said in his message.
