**Municipal Corporator calls on the Governor**

**Governor underlines the need for cleanliness, orderliness, and aesthetic enhancement in all areas under the Municipal Corporation**

**Corporators must act as social facilitators, engaging with citizens, fostering community ownership, and motivating residents to actively participate in cleanliness, conservation, and development efforts: Governor**

Shri Gora Lotak, Corporator of Ward No. 11 of the Itanagar Municipal Corporation, called on the Governor of Arunachal Pradesh, Lt. General KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan, Itanagar, on 10th January 2026. The Corporator sought the Governor's guidance and support for the holistic development of the ward, particularly as Lok Bhavan itself falls within Ward No. 11.

The Corporator briefed the Governor on the challenges his sector faced, towards cleanliness, waste disposal, hygiene, and sanitation of the area, and the status of public and private structures as well as essential services in his area of responsibilities.

The Governor congratulated Shri Lotak on his election and extended his best wishes. He encouraged him to remain committed to public service and to work with dedication for the welfare and well-being of the residents of his ward.

The Governor said that since Lok Bhavan is located in Ward No. 11, the ward should set high standards in cleanliness, planning, and civic discipline, and emerge as a model for other wards of the Itanagar Municipal Corporation to emulate.

Emphasizing the vital role of urban governance in improving the quality of life, the Governor underlined the need for cleanliness, orderliness, and aesthetic enhancement in all areas under the Municipal Corporation. He stressed that well-maintained public spaces reflect civic pride and responsible administration.

Advising a participatory and people-centric approach, the Governor said that all Corporators must undertake avenue plantation drives in close coordination with the Department of Environment and Forests. He emphasized that such green initiatives would enhance the city's beauty and also contribute to environmental sustainability and improved air quality.

The Governor further advised that the Corporators must act as social facilitators, engaging with citizens, fostering community ownership, and motivating residents to actively participate in cleanliness, conservation, and development efforts.

PRO to Governor  
Arunachal Pradesh
