DG BRO calls on the Governor

Governor emphasizes the need for further strengthening border road infrastructure

Governor appreciates the high-quality roads constructed by the Border Roads Organization

Border Roads have transformed the border villages, enabling better access to education, healthcare, markets, and livelihood opportunities

The Director General of Border Roads, Lt Gen Harpal Singh, AVSM, VSM, called on the Governor of Arunachal Pradesh, Lt Gen K.T. Parnaik, PVSM, UYSM, YSM (Retd.), at Raj Bhavan, Itanagar on 7th February 2026. During the meeting, they held detailed discussions on the progress of border road projects and their critical role in accelerating the socio-economic development of the State and improving the quality of life of people living in remote and border areas.

The Governor emphasized the need for further strengthening border road infrastructure, describing it as a vital lifeline that supports both national security and the well-being of frontier communities. He said that strategic roads must be executed to the highest quality standards and completed within stipulated timelines, as delays or substandard work directly hamper connectivity, emergency response, and day-to-day life in difficult terrain.

The Director General of Border Roads apprised the Governor of future plans with respect to the Frontier Highway and other sensitive road alignments which were being addressed on priority.

The Governor appreciated the high-quality roads constructed by the Border Roads Organization, which have transformed the border villages, enabling better access to education, healthcare, markets, and livelihood opportunities. Improved connectivity, he said; has boosted economic activity and mobility and also strengthened social integration and the national presence in far-flung areas. It is providing a strong momentum to the Government of India's Vibrant Village Programme by turning border settlements into centres of growth, resilience, and opportunity, he said.

The Governor also commended the Director General of Border Roads for the BRO's goodwill initiatives, including the organization of medical camps for workers, the establishment of Play and Learning Rooms for labourers' children, and cleanliness drives along the riverfront, reflecting the organization's commitment to social responsibility alongside infrastructure development.

The Director General of Border Roads assured that the Border Roads Organization remains fully committed to delivering its best for the Frontier State of Arunachal Pradesh, with a steadfast focus on the welfare, connectivity, and overall well-being of its people.

PRO to Governor
Arunachal Pradesh
ITANAGAR, February 7, 2026
