Governor extends International Women's Day greetings

The Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), has extended his warm greetings to the incredible women of the State on the special occasion of International Women's Day. He said that this year's theme, 'Give to Gain', reminds all of a powerful truth, that when we give with purpose, we all grow. Generosity, of time, knowledge, resources, encouragement, and opportunity, creates ripples of change. When women are supported, empowered, and visible, families grow stronger, communities become more resilient, and society as a whole moves forward, he said.

In his message, the Governor said that International Women's Day is more than a celebration. It is a call to action as it urges us to recognize and honour the immense contributions women make every day across every sphere of life. Women are the backbone of families, the pillars of communities, and a driving force of progress. He said that in Arunachal Pradesh, women have emerged as inspiring symbols of self-reliance and determination, strengthening their households while contributing meaningfully to the economy and community development. Their resilience, courage, and excellence continue to shape the State's growth and prosperity, and the government remains steadfast in its commitment to their holistic development, knowing that women's empowerment is essential for an inclusive and thriving society, he said.

As we mark this important day, I call upon every woman to believe in her worth, assert her rights, and confidently pursue greater opportunities, leadership, and economic independence. Let this occasion inspire action, spark meaningful change, and renew our collective resolve to build a future where every woman is supported to rise, empowered to lead, and free to succeed, the Governor exhorted in his message.

PRO to Governor
Arunachal Pradesh
