APARC Chairman calls on the Governor

**Governor emphasizes the need to make the administration more efficient,
transparent, and citizen-friendly**

The Chairman of the Arunachal Pradesh Administration Reforms Commission (APARC), Pramod Jain, IAS (Retd.), called on the Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan, Itanagar on 17th March 2026. During the meeting, they discussed key administrative reforms aimed at accelerating the development of Arunachal Pradesh and strengthening governance in the State.

The Governor emphasized the need to make the administration more efficient, transparent, and citizen-friendly. He advised the Commission to recommend institutional and procedural reforms that would promote digital transformation and e-governance. Moving towards 100 percent online government payments, e-Office systems, and paperless transactions, he said, would speed up service delivery, improve transparency, and help curb corruption.

Highlighting the importance of merit-based personnel management, the Governor stressed the need for transparent systems in transfers, postings, and recruitment. He said that merit, integrity, and competence must remain the guiding principles in public service.

The APARC Chairman assured the Governor that the Commission would recommend wider use of technology, simplified administrative procedures, and effective grievance-redressal mechanisms to further strengthen governance in the State.

PRO to Governor
