Arunachal Photography Club representatives calls on the Governor

Governor suggests Arunachal Photography Club to focus on capturing and highlighting the developmental strides of Arunachal Pradesh

Governor advises Arunachal Photography Club representatives to actively engage with students in schools and colleges to adopt photography as a hobby

Arunachal Photography Club, President, Dr. Radhe Natung, along with Vice President Shri Takam Arun, called on the Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan on 4th April 2026. During the meeting, they apprised the Governor of the Club's ongoing initiatives and shared details about their upcoming photographic workshop-cum-exhibition, 'The Platform', which aims to provide a creative space for photographers to showcase their talent and perspectives.

The Governor, while conveying his good wishes for the upcoming photographic workshop-cum-exhibition, appreciated the dedication and vision of the Arunachal Photography Club, noting that such efforts play a vital role in nurturing creativity and artistic expression. He said that photography, beyond being an art form, serves as a powerful medium to document and preserve the State's rich cultural heritage, vibrant traditions, and the unique diversity of its flora, fauna, and natural landscapes.

The Governor further suggested that the Club should also focus on capturing and highlighting the developmental strides of Arunachal Pradesh. Showcasing these positive transformations would help build a sense of pride and optimism among the people, while also enhancing awareness of the Government's efforts, he said.

The Governor also underscored the importance of organizing exhibitions that reflect the State's developmental journey. He said that such platforms would celebrate historical progress and also create a meaningful dialogue between art, society, and development.

Encouraging the Club to expand its outreach, the Governor advised its representatives to actively engage with students in schools and colleges to adopt photography as a hobby. He said that inspiring young minds through photography can foster creativity, awareness, and a deeper connection with their surroundings.

PRO to Governor
Arunachal Pradesh
