Governor extends Moh Mol festival greetings

The Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), has extended his warm greetings to the people of the State, especially to the Tangsa community on the joyous occasion of Moh Mol. He expressed hope that the vibrant festival would bring with it peace, unity, and lasting prosperity to every home and community.

In his message, the Governor said that Moh Mol, deeply rooted in our agrarian way of life, marks both the culmination of one agricultural cycle and the hopeful beginning of another. It reflects the intimate bond between our people, nature, and the rhythms of the land. For generations, the Tangsa community of Changlang district has preserved and celebrated this festival with great devotion, joy, and cultural pride. Such enduring traditions are not only a testament to our heritage but also a source of identity and strength for future generations. It is my sincere hope that this rich cultural legacy continues to flourish, inspiring the younger generation to cherish and uphold the values and customs that define the spirit of the Tangsa community and the diversity of our State, he said.

On this festive occasion, as I join my Tangsa brethren in spirit, I pray for a bountiful harvest, happiness in every household, and the continued vitality and longevity of the cherished Nong culture. May Moh Mol strengthen the bonds of togetherness and guide us all towards a future filled with harmony and well-being, the Governor wished in his message.
