Press Communiqué

Governor extends International Labour Day greetings

The Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), has extended his warm greetings to the people of the State, especially to the hardworking men and women whose dedication sustains our society on the occasion of International Labour Day. He wished that the sacred day would continue to inspire all to embrace and uphold the noble teachings of Gautama Buddha in both letter and spirit. He said that observed each year as a tribute to the dignity of labour, the day reminds all of the enduring struggle of workers for fair wages, safe conditions, and humane working environments. It is also a call to employers, institutions, and labour organizations to continue striving for the welfare and well-being of the workforce, he further said.

In his message, the Governor said that today, we honour the countless workers whose tireless efforts form the backbone of our economic growth and social progress. Every road built, every institution strengthened, and every community uplifted stands as a testament to their perseverance and commitment. Their labour not only drives development but also shapes a more secure and compassionate society. It is through their sweat and determination that comfort, progress, and opportunity reach every corner of our lives, he said.

Let us express our deep gratitude to all workers and renew our collective resolve to respect, protect, and uplift them. May we continue to value their contributions and work together towards a future where dignity, fairness, and opportunity are assured for every worker, the Governor wished in his message.

PRO to Governor
Arunachal Pradesh
