Eastern Air Command AOC-in-C calls on the Governor

Governor commends Eastern Air Command for its steadfast support to the people of Arunachal Pradesh

Air Officer Commanding-in-Chief, Eastern Air Command, Air Marshal Inderpal Singh Walia, AVSM, VM called on the Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.) at Lok Bhavan, Itanagar on 29th September 2026. They discussed national security, advance landing grounds and assistance during natural calamities and medical emergencies.

The Governor commended the Eastern Air Command for its steadfast support to the people of Arunachal Pradesh, particularly during natural disasters, medical emergencies, and other critical situations. He said that the Indian Air Force has consistently demonstrated its commitment to public service by reaching remote and inaccessible areas where timely assistance can make a significant difference.

Highlighting the unique geographical challenges of the State, the Governor noted that the IAF plays an indispensable role in responding to floods, landslides, and other emergencies. Through its swift deployment capabilities, the Air Force has been instrumental in airlifting relief materials, rescuing stranded civilians, and evacuating affected persons to safer locations, he said.

Recognizing the potential of Arunachal Pradesh's youth, the Governor encouraged the Air Force to expand outreach initiatives through career awareness programmes, NCC engagement, air displays, and educational visits. He also underscored the importance of strengthening Advanced Landing Grounds and air connectivity infrastructure to enhance logistics, communication, emergency response capabilities, and overall socio-economic development in the border State.

The Air Officer Commanding-in-Chief assured the Governor of the Eastern Air Command's unwavering commitment to supporting the people and the State of Arunachal Pradesh in every possible manner. He reaffirmed that the Indian Air Force would continue to work closely with the State Government in disaster response, medical emergencies, connectivity support, and nation-building initiatives, ensuring timely assistance and contributing to the welfare, development, and security of the State.

PRO to Governor
