Governor condemns Doimara massacre

Itanagar, Nov. 9: Arunachal Pradesh Governor Gen JJ Singh has condemned the Doimara massacre. In his condolence message, Governor said, I am deeply pained and shocked at the tragic loss of lives at Doimara area near Seijosa in Assam-Arunachal border, where we lost seven of our brothers due to an insane act of terrorism. What happened yesterday is outrightly barbaric and appalling.

While condemning the incident in strongest terms, let us all join hands and ensure that perpetrators of this heinous crime are punished at the earliest, Governor added.

Conveying sincere and heartfelt condolences on behalf of the people of Arunachal Pradesh and on his own behalf to the members of the bereaved families and praying to Almighty to grant them the strength to withstand this immense loss, Gen Singh pointed, the people who lost their lives were individuals who had made valuable contributions towards development of Arunachal Pradesh.
